Harmony Valley Farm 2019 Lunds & Byerlys CSA Information and Sign-Up Form

CSA membership allows you to connect with the farm and people where your food is grown. As such, we will share together in the bounty and the risks associated with farming. We look forward to providing you and your family with the highest quality, clean, fresh and nutritious vegetables. Everything we grow is **Certified Organic** by Midwest Organic Services Association (MOSA).

In Partnership with Lunds & Byerlys

We are pleased to continue our partnership with Lunds & Byerlys throughout the greater Twin Cities region. Our vegetable shares may be delivered to any of the 28 Lunds & Byerlys store locations. Your shares will be available for you to pick up on Fridays at the store location of your choosing. There is an additional $2.50 per box delivery fee added to all shares delivered to Lunds & Byerlys stores. The delivery fees are reflected in the share descriptions below. Please see page two of this form for a complete list of our residential Twin Cities CSA sites (Thursday deliveries), as well as all of the Lunds & Byerlys store locations (Friday deliveries).

Vegetable Shares

Our vegetable shares are designed to meet the needs of a family of four. Take time to thoughtfully consider which shares will best meet the needs and eating habits of your household.

Vegetable Flex Plan: *Delivered May-December on the weeks of your choice. 10 box minimum purchase (contact the farm)*
$40.50 per box**:** $38 + $2.50 per box delivery fee for Lunds & Byerlys pick-up.
This share will allow you to choose which weeks you want to receive a delivery. Please use the delivery calendar available on our website to select preliminary delivery dates from May-December. Send this schedule to the farm along with your sign-up form. You will be able to make changes to your schedule throughout the season as long as you let us know by noon on Tuesday the week of the change. This option is also available for those who sign up part way into the season. This is a popular selection for members in smaller households or those that travel frequently for work or summer vacations. This has also become a popular gift for college students.

Autumn Vegetable Share: *4 boxes, delivered every other week November 8 - December 20*
$167: $157 + $10 delivery fee for Lunds & Byerlys pick-up.
Sign up by October 26 to receive a taste of what our farm offers at the end of our season, after many farms have finished with deliveries. Boxes may contain winter squash, garlic, onions, cabbage, tat soi, beets, carrots, winter radishes, sweet potatoes, Brussels sprouts, kohlrabi and more! *These boxes are already included as part of the weekly and every-other-week shares.*

Payment Options

Signing up early in the season provides you with several different payment options, allowing you to find one that best fits your household and finances. Sharing households may choose any combination of the payment options below.

•**Single Payment**: Enclose one check for the full amount, or set up a payment from your bank's online bill pay option.

•**Monthly Electronic Debit:** Pay for your CSA membership over the course of the year. There is no extra cost to pay with this method, but there is a $5 NSF fee for any month your payment does not go through. Provide us with a voided check or your routing and account numbers to authorize us to debit your account on or soon after the 15th of each month. At the end of the year we will rollover your 2019 order for the 2020 CSA season and continue withdrawals. We will send you an email with the 2020 share information and you can choose to make changes to your share(s) or payment methods. **We can also do a one-time withdrawal from your bank account.**

•**Partner Shares and/or SNAP Benefits:** For low-income families, we encourage you to apply for a Partner Shares grant through FairShare CSA Coalition. Partner Shares provides financial assistance for low-income households to enroll in our vegetable CSA program. Fill out our 2019 CSA Agreement form, along with FairShare's Partner Share Application (*www.csacoalition.org/our-work/partner-shares*). Email both of these forms to FairShare (info@csacoalition.org) and to us (csa@harmonyvalleyfarm.com). You may email or call FairShare (608) 226-0300 for more information as well.

Every CSA share delivery arrives with a"**What's in the Box" email** and a **newsletter** including recipes, storage and preparation tips, and news from the farm. All our newsletters and recipes are also available online! Plus, all CSA members are invited to participate in our farm events: Join us for **Strawberry Day** in June and our **Harvest Party** in September. Our meadow is always available for camping and you are welcome to stay in one of our two small cabins on the farm!

Site and Pick Up Information

You will receive an email notification when your order is received. A receipt/invoice, directions to your site and instructions for picking up your shares will be mailed to you in April before deliveries begin. It is your responsibility to become familiar with this information and to keep it handy all season long.

Harmony Valley Farm 2019 Lunds & Byerlys Autumn CSA Agreement Form

Fill out this form and send with your payment to the farm. Keep a copy for your records!

Sharing Households: If you are sharing your box with another household, remember that the farm packs only one box for your share; it is up to you to decide how to split it. Some households meet and physically split the box contents; others alternate weekly pickups so each household gets a full box every other delivery. Household 1 will be listed on the check off list, and will be the primary contact for your site coordinator. Please list the contact info for both households if you plan on sharing boxes and remember who is listed as Household 1. Thank you!

I am a new CSA member and was referred by or learned about HVF from:

_____

I would like to become a member of Harmony Valley Farm's Community Supported Agriculture program. As a CSA member I understand that I share in the bounty as well as the risks that accompany farming and that the farm plants and harvests with my share in mind. For this reason, I understand that Harmony Valley Farm CSA membership is a season long commitment. If I can't finish out the season as a member, for whatever reason, it is my responsibility to reassign my share and ensure payments are made. I understand that it is my responsibility to know when and where to pick up my shares and to do so following the guidelines outlined by Harmony Valley Farm.
