- Contact your site coordinator in advance if you will be late to pick up your share. ***We do not publish CSA site coordinator contact info on the web; we send those details to you via mail and email prior to your first delivery. Besides this document, site coordinator contact info can be found in the CSA calendar/manual as well as on the info sheet specific to your site. Keep that info handy all season long. Put the farm contact info and your site contact info into your cell phone or PDA & keep a copy in your glove box, purse, wallet or bike bag.**

- Pick up your shares as early in the day as possible.

- Bring your own bag, box or cooler to transport your shares home, leaving the wax boxes at your site for us to pick up and re-use.

- Help keep your site neat and clean; put your unfolded boxes in the boxes provided for them.

- Be mindful when picking up your CSA delivery. Check your name off the check list at your site for any share you intend to pick up. Only pick up shares listed on the check list with your name.

The farm cannot issue credit for unclaimed, forgotten, canceled, or otherwise missed deliveries.

Important CSA Delivery Info and FAQ

I will be late to pick up my share this week. What should I do? Contact your site coordinator **in advance** and let them know you wish to pick up your CSA shares later. They will arrange to keep your box and make it available for you to pick up later. If you neglect to notify them ahead of time, you can assume your box was given to a food pantry or an appreciative family after site hours ended.

I forgot to pick up my share this week. What should I do? Contact your site coordinator and Terri at the farm as soon as possible. **After hours on delivery day there is no guarantee that there will still be a box available for you at your site**, but it is always worth a try. The farm cannot issue credit or replace unclaimed or forgotten shares, but we will help you locate a box if one is available. The sooner we know you would like to claim your shares, the easier it will be to help you get them, whether from your site or another site in the area.

When I got to my site, there wasn't a box for me. What should I do?

- First, make sure your name is on the check off list. If you share a box with another household, make sure you know under what name your share is listed and that your share partners have not already picked up that week. Your site coordinator is not required to be at home on delivery day, but if you are there during delivery hours, knock on the door and see if s/he is available to assist you before you leave.

- If your name is not listed, we have not prepared a box for you. Please do not take a box; you will be taking someone else's share!** If you are an "Every other Week" share member, you might be at your site on the wrong week. If you believe your name should be on the list, contact Terri at the farm; she will look into the situation and help find a solution.

- If your name is on the list but there is not a box available for you, contact *both* your site coordinator and Terri at the farm immediately; leave a message with your name and the share(s) you are missing. You may have to go to another delivery site, but we are generally able to source an extra box if needed.

I am unable to pick up my share this week. What should I do?

- Arrange to have another person pick up your share(s). If you will be out of town, you may want to give your box to someone who may be interested in joining the CSA next season! **If you have a friend, neighbor, or family member pick up your share(s) for you, make sure they know where to go and what to do, as well as what shares you are signed up to receive.**

- Contact the farm by Monday and ask us not to make a box for you that week. The farm does not give credit or replace canceled deliveries.

- Contact your site coordinator before delivery day and ask them to find a good home for your box or to put the box contents into the "Swap" box at your site.

I will be out of town for a delivery. Can you postpone my deliveries until the next week? We can deliver your box to a different site for a week (or more) if you wish, but we are unable to change delivery dates, unless you are on the Flex plan. We suggest that you find someone to pick up and store (or enjoy) your shares for you, or cancel your delivery. Sorry, the farm does not give credit or replace canceled deliveries.

How to contact the farm

If you have any problems with your box, delivery site, or anything else, please call or email and discuss it with us. We will do our best to explain or rectify the situation. Also, contact us to update your phone number, email or mailing address.
