

Harmony Valley Farm 2018 CSA Information and Sign-Up Form

CSA membership allows you to connect with the farm and people where your food is grown. As such, we will share together in the bounty and the risks associated with farming. We look forward to providing you and your family with the highest quality, clean, fresh and nutritious vegetables, fruit and coffee. Everything we grow and distribute is **Certified Organic**.

In Partnership with Lunds & Byerlys

We are pleased to continue our partnership with Lunds & Byerlys throughout the greater Twin Cities region. Our vegetable and fruit shares may be delivered to any of the 27 Lunds & Byerlys store locations. Your shares will be available for you to pick up on Fridays at the store location of your choosing. There is an additional \$2.50 per box delivery fee added to all shares delivered to Lunds & Byerlys stores. The delivery fees are reflected in the share descriptions below. Please see page three of this form for a complete list of our residential Twin Cities CSA sites (Thursday deliveries), as well as all of the Lunds & Byerlys store locations (Friday deliveries).

Vegetable Shares

Our vegetable shares are designed to meet the needs of a family of four. Take time to thoughtfully consider which shares will best meet the needs and eating habits of your household.

Weekly Vegetable Share: 30 boxes, delivered weekly May 4-Oct 26 and every other week Nov 2- Dec 14

\$1125: \$1050 + \$75 delivery fee for Lunds & Byerlys pick-up.

This share will give you the full seasonal experience from early spring through our peak summer season and concludes with our late fall season selections. Spring selections may include overwintered spinach & parsnips, asparagus, ramps, salad greens & spring radishes. See our "Peak Season" description below for our summer vegetable selections. Late season boxes may include a variety of root crops (carrots, parsnips, beets, turnips, celeriac), cabbage, onions, garlic, sweet potatoes & winter squash. The weekly share is the most economical option per box. If a weekly box is too much for you, consider finding another household to share the box with or consider our every-other-week or flex shares below.

Peak Season Vegetable Share: 20 boxes, delivered weekly June 15 through October 26

\$810 \$760+ \$50 delivery fee for Lunds & Byerlys pick-up.

This shorter season share features summer produce grown during the peak of our season. Box contents may include summer greens (such as swiss chard), green beans, cucumbers, sweet peppers, tomatoes, sweet corn, melons, summer squash and more.

Every Other Week (EOW) Vegetable Share: 17 boxes, delivered every other week May - December

\$671.50: \$629 + \$42.50 delivery fee for Lunds & Byerlys pick-up.

This share includes the same seasonal selections we pack in the weekly box, but delivered less frequently. EOW members pick up shares on either "GREEN" or "BROWN" weeks. Delivery calendars can be found on our website near the bottom of our home page. Please indicate your preference on your sign-up form. If no preference is selected, we will automatically schedule EOW members who have also signed up for a Fruit share to pick up on "GREEN" weeks (Fruit shares are also delivered on GREEN weeks). All other EOW members will automatically be scheduled for "BROWN" week deliveries. We are unable to change your delivery dates mid-season to accommodate vacations or other special occasions. If you would like the convenience of choosing and changing your delivery dates, please consider our "Flex" plan (see below).

Vegetable Flex Plan: Delivered May-December on the weeks of your choice. 10 box minimum purchase

\$40.50 per box: \$38 + \$2.50 per box delivery fee for Lunds & Byerlys pick-up.

This share will allow you to choose which weeks you want to receive a delivery. Please use the delivery calendar available on our website to select preliminary delivery dates from May-December. Send this schedule to the farm along with your sign-up form. You will be able to make changes to your schedule throughout the season as long as you let us know by noon on Monday the week of the change. This option is also available for those who sign up part way into the season. This is a popular selection for members in smaller households or those that travel frequently for work or summer vacations. This has also become a popular gift for college students.

Early Season Vegetable Trial Share: 4 boxes, delivered May-June on the weeks of your choice.

\$154: \$144 + \$10 delivery fee for Lunds & Byerlys pick-up.

Interested in participating in a CSA but just not sure we're the farm for you? New to CSA and wanting to give it a try, but feeling a little hesitant about signing up for a full season? We get it! That's why we've created the EARLY SEASON VEGETABLE TRIAL SHARE just for you! Join us for 4 deliveries during May and June, the first two months of our CSA delivery season. You choose 4 of the 9 deliveries to your area during May and June and we'll send a vegetable box for you on those weeks. Eat our food, read our blog & newsletter, check out our informative emails, and get to know who we are. You'll even be invited to our annual Strawberry Day event at the farm in June! If, after 4 deliveries, you like what you've experienced and want more, just let us know and we can help you decide which of our shares will best meet your needs for the remainder of the season.

Autumn Vegetable Share: 4 boxes, delivered every other week November 2 - December 14

\$167: \$157 + \$10 delivery fee for Lunds & Byerlys pick-up.

Sign up by October 20 to receive a taste of what our farm offers at the end of our season, after many farms have finished with deliveries. Boxes may contain winter squash, garlic, onions, cabbage, Tat Soi, beets, carrots, winter radishes, sweet potatoes, Brussels sprouts and more! *These boxes are already included as part of the weekly and every-other-week shares.*

In this share we offer certified organic fruit, sourced at its peak from the best fruit growing regions of North America. When available, we do include regional fruit in their season including apples and cranberries. Each box contains some ready to eat fruit, and some fruit that will ripen and/or store over the next 3-10 days. Each delivery is accompanied by a newsletter, which includes information about the farms, ripening and storage instructions and recipes.

Sharing Households: If you are sharing your box with another household, remember that the farm packs only one box for your share; it is up to you to decide how to split it. Some households meet and physically split the box contents; others alternate weekly pickups so each household gets a full box every other delivery. Your share(s) will be labeled with the Household 1 member's name. All sharing partners must request their shares using the Household 1 member's name when picking up shares at any of our Lunds & Byerlys locations. I would like to become a member of Harmony Valley Farm's Community Supported Agriculture program. As a CSA member I understand that I share in the bounty as well as the risks that accompany farming and that the farm plants and harvests with my share in mind. For this reason, I understand that Harmony Valley Farm CSA membership is a season long commitment. If I can't finish out the season as a member, for whatever reason, it is my responsibility to reassign my share and ensure payments are made.
