### Product Information

**Weekly Produce Share - 30 boxes** - A seasonal selection of fresh, clean, organic produce delivered weekly, May 10 through October and every-other-week in November and December. Expect it to meet the needs of a household of 2 adults and 2 children. This is the most economical option per box, and our preference for simplicity. If a box every week is too much for you, try splitting or alternating weekly boxes with another small household.

### Monthly Electronic Payment Plan

I authorize Harmony Valley Farm to debit my bank account, on or after the 15th of each month, the amount determined by the worksheet below. Should I need to terminate my membership mid-season, I agree to transfer my produce share to an individual of my choice and will give Harmony Valley 30 days written notice of this change. I understand that unless I communicate my desire to terminate my membership with Harmony Valley in December 2008, my membership will continue into 2009, and debits will continue to be made from my account beginning in January 2009, at the new rates for that year. Harmony Valley will notify members of the yearly rate changes in writing at least 30 days prior to taking effect (by December 15th). I have enclosed a voided, blank check to facilitate set up of the program.
