

Harmony Valley Farm 2010 CSA Agreement Form

Fill out the last page and send with your payment to the farm. Keep a copy for your records!

The Twin Cities Route is Sold Out of Veggie & Fruit shares.

Cheese, coffee, meat and Extended season shares are still available! Send an email to csa@harmonyvalleyfarm.com to get on the email reminder list for the 2011 season.

CSAs create a direct relationship between you and the farm. You'll know your produce dollar goes directly to the people who plant, tend and harvest your food. Joining our CSA is a seasonal cooking and eating adventure! Being partners means sharing in the risk and the bounty with the farmer. Sometimes you'll receive more or less than you expected of certain items in your box, depending on growing conditions. **Please read the information included in these pages as well as in our brochure to help you decide which shares are right for you. Then, fill out the order form on the last page and mail to the farm with your payment.** We have a long delivery season, so make sure to keep a copy of the form for yourself. We'll mail you a receipt and detailed information about your delivery site and start date – keep that info handy too!

Weekly Produce Share – 30 boxes, delivered May – December. A seasonal selection of fresh, clean, organic produce delivered weekly May 6/7/8 through October and every other week in November and December. This share includes early season favorites like overwintered spinach & parsnips, ramps, and asparagus, peak growing season items (see list below), and late season produce such as cabbage, parsnips, winter radishes and sweet potatoes. Expect it to meet the produce needs of the average household of two adults and two children. This is the most economical option per box, and our preference for simplicity. If a box every week is too much for you, try splitting or alternating weekly boxes with another small household. *Twin Cities Route Sold Out! Contact the farm to get on the 2011 reminder list.*
Price \$915 Sign up deadline April 26.

Peak Season Share – 20 boxes, delivered weekly June through October during the height of the Midwestern growing season. Expect this share to meet the produce needs of the average family of four. This shorter season share features summer produce including green beans, cucumbers, sweet peppers, tomatoes, sweet corn, melons, raspberries, summer squash, salad mix and more. Weekly deliveries June 17/18/19 through October 28/29/30. *Twin Cities Route Sold Out! Contact the farm to get on the 2011 email reminder list.*
Price \$700 Sign up by May 30, or before we sell out

Every other Week (EOW) Produce Share – 17 boxes, delivered every other week May – December. The same seasonal selection of clean, organic produce we pack in the weekly box, but delivered less frequently. This should meet the needs of smaller households (2 adults, depending on your cooking and eating habits). EOW members pick up shares on either "brown" or "green" weeks. If you sign up for cheese, coffee or don't order any other shares, we will automatically sign you up for "brown" week deliveries, unless you request otherwise. If you sign up for fruit shares, we will designate you for "green" week deliveries, unless you request otherwise. We are unable to change your delivery dates mid-season to accommodate vacations or other special occasions. If you would like the convenience of choosing and switching your delivery dates, please consider our "Flex" plan (see below).
Price \$578 Sign up deadline April 26. *Twin Cities Route Sold Out! Contact the farm to get on the 2011 email reminder list.*

Flex Plan – Choose the weeks you wish to receive a box, with a minimum of 14 boxes. This option is great for summer vacation plans or for those who travel frequently. The cost is calculated per box. There is no sign up deadline for this share; if you miss the deadlines for the other shares and/or deliveries have already begun, this is the plan available to you. Please use the delivery schedule, available online, to select preliminary delivery dates from May-December and return them to the farm with your sign up. You will be able to make changes to this schedule throughout the season, as needed, as long as you give us at least four days notice. **\$35 per box**
Twin Cities Route Sold Out! Contact the farm to get on the 2011 email reminder list.

Extended Season Share - Two large boxes full of high quality root and storage vegetables, delivered in January 2011. This is your last chance to get Harmony Valley Farm veggies until May! Boxes may contain beets, cabbage, carrots, celeriac, beauty heart radish, garlic, onions, parsnips, sunchoke, turnips and a special surprise. **\$80, sign up by November 1.**

Madison Only: CSA Market Share. Purchase a pre-paid Farmer's Market punch card with a \$40 or \$100 value, good all season long. You may use it to supplement your CSA share, or to pick out your own CSA produce items. All Farmer's Market items are first come, first served and in limited quantity. When you sign up for this share, we'll mail you as many cards as you sign up to receive, a receipt, and a list of our Dane County Farmer's Market dates. Lost or stolen cards cannot be replaced, redeemed for cash, or used after expiration.
\$40 or \$100 punch cards, including "free pick" 10% bonus punches!

Our vegetable share boxes will vary in size from 1/2 to 3/4-bushel boxes, depending on the season and box contents.

Rather than quantify our shares by bushel or weight, we consider what the average family can use in a week.

Besides clean and fresh vegetables, our certified organic produce shares will also contain the seasonal fruits we grow on our farm including rhubarb, strawberries, raspberries and melons. These fruits will *not* be included in the separately purchased fruit shares, sourced from other growers across North America.

Every CSA share delivery arrives with a "What's in the Box" email and a newsletter including recipes, storage and preparation tips, and news from the farm. All our newsletters and recipes are also available online!

Our **summer farm chef** is a great resource for you as well. Plus, all CSA members are invited to participate in our farm events:

Join us for **Strawberry Day** in June, the **Summer Barn Dance** in July, and our **Harvest Party** in September.

PLEASE SEE OUR HARVEST CALENDAR ON THE LAST PAGE OF OUR BROCHURE FOR WHAT YOU MIGHT EXPECT IN YOUR BOXES THROUGHOUT THE GROWING SEASON. SEE THE NEXT PAGE FOR CHEESE, FRUIT AND COFFEE SHARE INFO.

Full Cheese Share: Our cheese share is a great way to complement your vegetable and fruit shares! We have partnered with several regional, certified organic dairies rotationally grazing their animals on mineralized, fertile pastures to bring you an every other week (twice a month) delivery of about 2.5# of organic cheese. Each delivery will feature three kinds of cheese including seasonal cheddars, Muenster, or Colby; uniquely flavored vegetable cheeses featuring HVF veggies, such as Green Garlic Jalapeño, Ramp, or Tomato Confit; and a specialty cow, sheep or goat's milk cheese such as a Camembert, Brebis, feta or Blue. Cheese is delivered May – January on "brown" weeks, the same weeks as coffee deliveries, and is accompanied by a newsletter with recipes and tips to help you incorporate the cheese with the produce in your vegetable and fruit shares.

Full Cheese Share – 19 deliveries, May – January. Price \$513

Once a month Cheese share: If you think the full cheese share might be too much for your household, try our Once a Month Cheese Share. You'll receive the same selections and quantities described above, just less frequently. Many of the cheeses will store for a month or more, so you'll stay well supplied until the next delivery. **Once a month Cheese Share - 10 deliveries, May – January.**

Price \$280

Cuatro Queso (Four Cheese) Special: Not sure if the cheese share is right for you? Sign up to receive the first four cheese deliveries for only \$108. This is your chance to try out the cheese share; decide after the third delivery whether you'd like to continue for the rest of the season. No pressure, no commitment!

Deliveries May 13/14/15, May 27/28/29, June 10/11/12, June 24/25/26. \$108, sign up by April 30.

Fruit Share – An every other week box of certified organic fruit, sourced at its peak from the best fruit growing regions of North America. **This is not designed to be an "eat more local fruit" share, although we do try to source locally when quantity and quality allow.** Like the vegetable shares, we plan an amount that will meet the fruit needs of the average family of four, but people differ widely on how much fruit they eat. In general, each fruit share box will contain a mix of 6-8 different fruits and weigh between 12-18 pounds, depending on box contents and season. There are sixteen deliveries total for the Full fruit share, or choose Summer fruit only (10 boxes, June-October) or Winter fruit only (6 boxes, November – January). Fruit is delivered on "green" weeks, the opposite of coffee & cheese share deliveries. Each delivery is accompanied by a fruit share newsletter with ripening and storage tips, recipes, and information on the growers. **Since our vegetable share boxes will include the fruit we grow here at the farm (rhubarb, strawberries, raspberries & various melons), your fruit share boxes will never include these items. *Twin Cities Route Sold Out! Contact the farm to get on the 2011 reminder list.***

Full Fruit Share – 16 boxes, June – January \$640 The full fruit share includes both the summer and winter share deliveries. See list of possible box contents, below. **Sign up by June 1, or before we sell out *Twin Cities Route Sold Out!***

Summer Fruit Share – 10 boxes, June – October \$420 Summer fruit boxes may contain apricots, avocados, blueberries, cherries, fresh figs, grapes, mangoes, nectarines, peaches, plums, pluots, apples, and pineapple. **Sign up by June 1 or before we sell out**

Winter Fruit Share – 6 boxes, November – January \$240 Winter fruit boxes may contain apples, avocados, grapefruit, Satsuma mandarins, Medjool dates, pears, pomegranates, cranberries, mangoes, Clementines, tangerines, lemons, kiwi, avocados, persimmons, guavas, and figs. **Sign up by October 20, or before we sell out *Twin Cities Route Sold Out! Contact the farm to get on the 2011 reminder list.***

Kickapoo Coffee Share: An every other week delivery of one or two pounds of whole bean, certified organic, fair trade, award winning Kickapoo Coffee. Just named the **2010 Micro Roaster of the Year** by *Roast* magazine, Kickapoo freshly roasts your coffee the day before delivery in nearby Viroqua; varieties rotate weekly. They favor a medium roast so you can enjoy the coffee's true flavor. Coffee is delivered on 19 "brown" weeks May – January, and each delivery is accompanied by a newsletter with information on the origins of the bean, roasting technique, brewing tips, and recipes.

19 Deliveries, 1 pound: \$190 (The first delivery of the season arrives in Kickapoo's recyclable, reusable 12 oz steel can)

19 Deliveries, 2 pound: \$380 (The first delivery of the season arrives in two of Kickapoo's recyclable, reusable 12 oz steel cans)

Is CSA Right for You?

- Be realistic: Do you have the time and energy to cook & do you enjoy trying new things? If you are flexible and adventurous, with the time and inclination to prepare many different vegetables and find new recipes, we think you will enjoy this cooking and eating adventure. If you are a family of picky eaters, CSA might not be right for you. If you eat out more often than in or if your expectations are for a constant supply of just the right amount of your favorite produce items, CSA might not be right for you either.
- Will your schedule allow you to pick up your shares before your site closes each week instead of stopping by the store when it's convenient for you? It is your responsibility to know when and where your share will be delivered and to pick it up during your site's open hours, on delivery day. The farm will not issue credit for unclaimed or forgotten shares.

CSA Member Responsibilities

- As a CSA member, you share in the bounty as well as the risks that accompany farming. CSA membership allows you to forge a connection with your food, the farm where it is produced, and the people who grow the crops. As such, Harmony Valley Farm CSA membership is a season long commitment. If you can't finish out the season as members, for whatever reason, you are welcome to reassign your share to another household, but in general we don't issue refunds for shares.
- If you are unable to pick up your box on delivery day, you must make alternate arrangements for your produce ahead of time. You can ask someone else to pick up your box for you, you can ask the farm not to make a box for you that week, or you can ask your site coordinator to hold your box for you for a later pick-up.
- Keep a copy of your order form, receipt and site coordinator contact info. We have a long delivery season and knowing your delivery dates and what you are signed up for will save us a lot of time and postage.
- Read the newsletters and emails that accompany each delivery. Besides news from the farm, we communicate important announcements, provide recipes, and extend invitations and special offers to you through them.

Payment Options

In exchange for your early season investment in the farm, we commit to delivering the best produce throughout the season. We know that payment in full is not realistic for some households, so we offer several payment options. For low-income families, we encourage you to apply for a Partner Shares* grant through MACSAC (you can also donate to Partner Shares* and earmark your donation for a Harmony Valley Farm CSA membership); we are also authorized to accept food stamps. Sharing households may choose any combination of the payment options below; we will issue a receipt to any household that pays towards a share.

•**Single Payment:** Enclose one check for the full amount

•**Two Installments:** Enclose two checks, one with today's date and one dated for deposit on July 1, 2010. We will hold the second check until July 1, 2010.

•**Monthly Electronic Debit:** Pay for your CSA membership over the course of the year. The earlier you sign up and start payments, the lower your monthly amount will be! Simply total your CSA share cost and divide by the number of months left in the year to calculate your monthly withdrawal. There is no extra cost to pay with this method, but there is a \$5 NSF fee for any month your payment does not go through. You provide us with the routing and account numbers for your checking account and authorize us to debit your account on or soon after the 15th of each month. In November & December, we will invite you to "automatically rollover" your CSA membership and payments for the next season. If the ACH payment method no longer works for you or you're not sure what you'll sign up for in the next season, let us know and we'll make sure to cease withdrawals after your last payment. Do nothing and we will continue your withdrawals, starting in January 2011, for the next season.

•**Food Stamps:** Harmony Valley Farm is authorized to accept food stamps. Please call the farm to arrange.

**MACSAC Partner Shares - Partner Shares provides financial assistance for low-income households to enroll in our CSA program. Members in each of our delivery areas are eligible to apply and participate. Go to www.MACSAC.org or call 608/226-0300 for more info.*

CSA Delivery Sites & Pick up Guidelines

•All of our CSA sites are located in a CSA member's garage or porch and are open during certain hours on delivery day.

•CSA share pickups are completely self-serve and on the honor system. Your site will be open during the hours stated on the info sheet, but your site coordinator will not necessarily be at home. If you forget to pick up your share, you should contact your site coordinator as soon as possible to claim your box. After open hours on delivery day, however, there is no guarantee that there will be a box waiting for you. If you arrive at your site on delivery day and there isn't a box for you, you must contact both your site coordinator and the farm; you may have to go to a different site, but we are generally able to source an extra box if needed.

The Twin Cities route is sold out of Veggie & Fruit shares. You may still sign up for Cheese shares, Coffee shares, Extended season (January 2011) share, and meat deliveries.

Fill this out and send with your payment to the farm. Keep a copy for your records!

Sharing Households: If you are sharing your box with another household, remember that the farm packs only one box for your share; it is up to you to decide how to split it. Some households meet and physically split the box contents; others alternate weekly pickups so each household gets a full box every other delivery. Household 1 will be listed on the check off list, and will be the primary contact for your site coordinator. Please list the contact info for both households if you plan on sharing boxes. Sharing Households may choose any combination of payment options. Enclose both payments with this form. Thanks!
