

Harmony Valley Farm 2026 CSA Information and Sign-Up Form

CSA membership allows you to connect with the farm and people where your food is grown. Together we will share in the bounty and the risks associated with farming. We look forward to providing you and your family with the highest quality, clean, fresh and nutritious vegetables. Everything we grow is **Certified Organic** by Midwest Organic Services Association (MOSA).

We offer Vegetable Shares for delivery to the **Twin Cities, MN; Madison, WI; and our local area (Viroqua, La Crosse & Onalaska)**. The information below outlines each of our shares with specific information to help you decide which shares best fit your needs. Each delivery is accompanied by a newsletter and email which includes information on storing and preparing your shares, delicious recipes and updates from your farm.

Vegetable Shares

Our vegetable shares are designed to meet the needs of a family of four. Take time to thoughtfully consider which shares will best meet the needs and eating habits of your household.

Weekly Vegetable Share: 30 boxes, delivered weekly May 7/8/9 - Oct 29/30/31 & every other week Nov 5/6/7 - Dec 17/18/19
\$1215

This share will give you the full seasonal experience from early spring through our peak summer season and concludes with our late fall season selections. Spring selections may include overwintered spinach & parsnips, asparagus, ramps, salad greens and spring radishes. See our "Peak Season" description below for our summer vegetable selections. Late season boxes may include a variety of root crops (carrots, parsnips, beets, celeriac), cabbage, onions, Brussels sprouts, garlic, sweet potatoes and winter squash. The weekly share is the most economical option per box. If a weekly box is too much for you, consider finding another household to share the box with or consider our every-other-week or flex shares below.

Peak Season Vegetable Share: 20 boxes, delivered weekly June 18/19/20 through Oct 29/30/31
\$875

This shorter season share features summer produce grown during the peak of our season. Box contents may include summer greens (such as swiss chard), green beans, cucumbers, sweet peppers, tomatoes, sweet corn, melons, strawberries, summer squash and more.

Every Other Week (EOW) Vegetable Share: 17 boxes, delivered every other week May - December
\$726.75

This share includes the same seasonal selections we pack in the weekly box, but delivered less frequently. EOW members pick up shares on either "GREEN" or "BROWN" weeks. Delivery calendars can be found on our website. Please indicate your preference on your sign-up form. If no preference is selected, we will automatically assign you a week. We are unable to change your delivery dates mid-season to accommodate vacations or other special occasions. If you would like the convenience of choosing and changing your delivery dates, please consider our "Flex" plan (see below).

Vegetable Flex Plan: Delivered May-December on the weeks of your choice. 10 box minimum purchase
\$43.75 per box

This share will allow you to choose which weeks you want to receive a delivery. Please use the delivery calendar available on our website to select preliminary delivery dates from May-December. Send this schedule to the farm along with your sign-up form. You will be able to make changes to your schedule throughout the season as long as you let us know by noon on Tuesday the week of the change. This option is also available for those who sign up part way into the season. This is a popular selection for members in smaller households or those that travel frequently for work or summer vacations. This has also become a popular gift for college students.

Early Bird Special Offer: Place your order for the 2026 season before **February 28th** and, for qualifying purchases, receive a coupon with your receipt/invoice, good towards a future purchase with Harmony Valley Farm. These purchases may include 2027 CSA Shares, produce plus, meat shares or special offers. Coupons may be used anytime throughout the season and will expire on February 28, 2027.

Please sign-up now so we can plan to grow for you! You may arrange payment now or anytime before April 1st.

Referrals and Rebates: Get Paid to Eat our Food!

- » Earn a \$10.00 HVF gift certificate for referring friends, family, co-workers or complete strangers! Be sure to tell them to include your name on the sign up form. Better yet, write your name in the referral line and hand out the sign-up forms!
- » Some insurance companies offer rebates to their members for their CSA membership. Check with your insurance provider to see if this option is available to you. You must pay the farm directly in order to receive a receipt for a CSA share.

Payment Options

Signing up early in the season provides you with several different payment options, allowing you to find one that best fits your household and finances. Sharing households may choose any combination of the payment options below. Please note that we do not accept payment by debit or credit cards.

- » Single Payment: Enclose one check for the full amount, or set up a payment from your bank's online bill pay option.
- » Two Installments: Enclose two checks, one with today's date and one dated for deposit on July 1, 2026. We will hold the second check until July 1. The first check must pay at least 50% of the order, with the second check paying the remainder.
- » Two Installments, Deferred: Enclose two post-dated checks with the dates April 1 and July 1, 2026.
- » Monthly Electronic Debit: Pay for your CSA membership over the course of the year. There is no extra cost to pay with this method, but there is a \$5 NSF fee for any month your payment does not go through. Provide us with a voided check or your routing and account numbers to authorize us to debit your account on or soon after the 15th of each month. At the end of the year we will rollover your 2026 order for the 2027 CSA season and continue withdrawals. We will send you an email with the 2027 share information and you can choose to make changes to your share(s) or payment methods. We can also do a one-time withdrawal from your bank account.
- » Partner Shares and/or SNAP Benefits: For low-income families, we encourage you to apply for a Partner Shares grant through FairShare CSA Coalition. Partner Shares provides financial assistance for low-income households to enroll in our vegetable CSA program. Fill out our 2026 CSA Agreement form, along with FairShare's Partner Share Application (www.csacoalition.org/partner-shares). Email both of these forms to FairShare (info@csacoalition.org) and to us (csa@harmonyvalleyfarm.com). You may email or call FairShare (608) 226-0300 for more information as well.

Harmony Valley Farm 2026 CSA Agreement Form

Fill out this form and send with your payment to the farm. Keep a copy for your records!

Sharing Households: If you are sharing your box with another household, remember that the farm packs only one box for your share; it is up to you to decide how to split it. Some households meet and physically split the box contents; others alternate weekly pickups so each household gets a full box every other delivery. Household 1 will be listed on the check off list, and will be the primary contact for your site coordinator. Please list the contact info for both households if you plan on sharing boxes and remember who is listed as Household 1. **You must pay the farm directly in order to receive a receipt.**

I would like to become a member of Harmony Valley Farm's Community Supported Agriculture program. As a CSA member I understand that I share in the bounty as well as the risks that accompany farming and that the farm plants and harvests with my share in mind. For this reason, I understand that Harmony Valley Farm CSA membership is a season long commitment. If I can't finish out the season as a member, for whatever reason, it is my responsibility to reassign my share and ensure payments are made. I understand that it is my responsibility to know when and where to pick up my shares and to do so following the guidelines outlined by Harmony Valley Farm.
