FREQUENTLY ASKED QUESTIONS ABOUT CSA WHAT IF.....

...I forget to pick up my share(s)? It is your responsibility to know when and where to pick up your shares. **The farm does not issue credits for forgotten and/or unclaimed shares.** If you forget to pick up your share box(es), contact the farm as soon as possible. There is no guarantee there will be a box available for you as we ask our site hosts to find a home for them after site hours so they are not wasted. Nonetheless, with timely notification we may be able to connect you with a share box.

...I cannot pick up my share(s) during the designated hours? First, consider asking another person to pick up your share(s) for you. **Remember, if someone else picks up your share on your behalf, it is your responsibility to make sure they know where to go and what to do.** You may also choose to contact the farm before delivery day to make special arrangements for a late pick-up. Usually our Lunds & Byerlys locations are accommodating with late pick-up requests, but it is not required. Please do not ask to make special arrangements more than once or twice in a season.

...there is a week I am not able to pick up my share?

- Arrange to have another person pick up your share(s) and hold it for you until you return, or gift your share to them. **If someone else picks up your share on your behalf, it is your responsibility to make sure they know where to go and what to do.**
- If necessary, we can deliver your box to a different site for a week. However, we are unable to change delivery weeks unless you are signed up for the Flex Vegetable share. You must notify us of any requested changes to your week's delivery before Noon on Tuesday.
- Contact the farm by Noon on Tuesday of delivery week and ask us not to make a box for you. **The farm does not give credit or replace canceled deliveries.**

...I go to the site on my pick up day and there is not a share for me?

- **Verify you are set up for a Share Box this delivery.** Call the farm to make sure we have you scheduled for a share box this week. If you are an Every-Other-Week or Flex Vegetable share member, confirm this is a week you are scheduled to receive a delivery. **If you share a box with another household,** make sure you know which name the share is listed under and confirm your share partner has not already picked up that week.

WHERE CAN I FIND

...a calendar with my delivery dates? Turn this document over and you'll see all the delivery dates outlined for each share type. This document is also available on our website and is included in your Welcome Packet. We also provide you with a wall calendar full of useful information and resources. These calendars are available at your delivery site early in the beginning of the season.

...what share(s) I am signed up for? Your share(s) are listed on your receipt/invoice included in your Welcome Packet. You also receive a copy of your receipt/invoice via email from our bookkeeper. Lastly, the share(s) you are signed up for are listed next to your name on the checklist at the delivery site.

...information to help me prepare and store my produce? We encourage you to read the "What's In the Box" email each week as it contains all of this information and more! You can also refer to the storage guide in the back of your wall calendar available at your delivery site at the beginning of the season.

...additional recipes for the items in my box? Chef Andrea's weekly "Cooking With the Box" article published on our blog is an excellent resource. Our website also has a searchable recipe database to connect you to recipes we have featured in previous newsletters. We also recommend purchasing a CSA focused cookbook such as FairShare's *From Asparagus to Zucchini* and/or *Farm-Fresh and Fast*.
